

Allround Handyman

About us

We are a young and dynamic company that buys real estate in cities. This mainly concerns houses, apartments and studios. We do this for our own portfolio and for customers.

We also have an big network and often work together with real estate management offices. Our working area is mainly the region of Utrecht, Amsterdam, Rotterdam and The Hague. From time to time there are also projects outside this region.

The position

You perform maintenance on apartments, studios and houses. It concerns various types of work, including solving malfunctions, replacing floors, kitchens, bathrooms, etc. You also perform maintenance work such as painting, and various carpentry and maintenance work. When tenants change, you prepare the house for rent again and solve any defects. If the knowledge of a certain (technical aspect) is still insufficient, you can always enlist the help of third parties. In consultation it is also possible that you work for a longer period of time for a job at an external client. This keeps your work very diverse and varied.

What are we looking for

- An independent all- round handyman
- Technical insight and progressive
- In possession of a driving license B
- You are representative
- Possibly. Self-employed person who is willing to go back into paid employment (we can take over bus, tools, etc.)

What do we offer

- A fun and independent function
- A good salary
- Stability and a permanent job
- Car, telephone and laptop of the zaan
- Of course good work equipment and tools
- If necessary. training or following courses is possible
